

HAPWOOD.
BY HOWELL

NO CUPPING. NO GAPPING. NO PROBLEM.®

WARRANTY

We offer the industry's only warranty against seasonal movement.

MADE IN USA

Our flooring is made in the USA with materials harvested in the USA.

REPUTATION

Less than 1 claim per million square feet over the last 25 years.

UNIQUE

Our unique 5 step manufacturing process is what sets us apart.

EXPERIENCE

We are the oldest continuous site-finished engineered flooring manufacturer.

ENVIRONMENT

We use fewer trees per floor from sustainable, renewable resources.

WHY CHOOSE HAPWOOD®?

UNIQUE

Howell Hardwood Flooring utilizes a unique manufacturing process to produce Hapwood®- an unfinished engineered flooring line that remains stable and flat during seasonal humidity changes.

Howell's time-tested five step manufacturing process creates boards that fit together perfectly regardless of width, style, or species, and eliminates issues caused by cupping and gapping. The Howell process:

- **Two-Step Moisture Acclimation**
- **Balanced Face and Back Construction**
- **One-Step Hot Pressing**
- **Pre-Sanding**
- **Diamond Tooling**

Hapwood® by Howell- Ask for it by name.
